

As I reflect on the past year, I am reminded how powerful a group of determined volunteers can be. In 2018, Mothers For Others grew in all directions; we deepened existing partnerships, gained new agencies, and held more community diaper packing days and donations drives than ever before! Our supporters now include schools, grantmaking groups, corporations, individuals and community agencies, as well as past clients who have given back. Local families need access to clean diapers and we are the only agency addressing this issue in lower Fairfield County. As a result of your support, Mothers For Others will continue to meet this need in 2019. Thank you!

Lisa Leavy-Fisher, Board President

Mothers For Others Had A Busy 2018

170 Children served in the
Donation Room
and
130 Children served through
community partnerships

Thousands of dollars of
gently used equipment and
toys redistributed

Over 43,500
Diapers Distributed!
